

### The Short Route

Follow the Longer Route to Llethr Mill **2**, but instead of crossing the stile, stay with the track to Wolvesacre Hall **A**. The stile is on the left just before the farm buildings. It is very muddy here, and you might prefer to turn left through the gate before the stile (making sure to close it). The path crosses a pasture passing by a pool

with some trees, and down a bank to a little wooden gate into a wood. Again more mud! Cross the footbridge **B** and it is a short way to a field gate, across a large grass field, a concrete track, and another large field to the junction with the old Shropshire Way **11**.

Now follow the directions for the Longer Route from **11**.
